

The NETC Library, in Collaboration with the National Fire Heritage Center, Commemorates the Anniversary of September 11, 2001.

Twin Towers "Model" made from WTC Steel

– from the Collection of the late Chief Harvey J. Eisner of Tenafly, NJ.

Showing the links between physical materials and the written word.

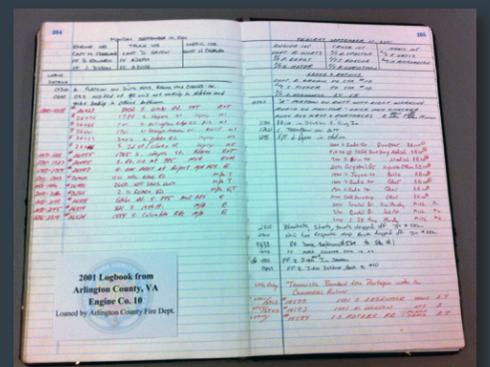

FEMA

9/11 Gold Fire Department Dress Uniform Badge

– special issue from the Collection of the late Assistant Chief Robert J. "Windy" Briese of Woodbine, GA.

Shanksville, PA, Volunteer Fire Company "Run Sheet" from 9/11

Arlington County, VA, Fire Station 10 "Logbook"

– closest firehouse/first-due to the Pentagon.

Scan of photo of Woodsboro/Frederick County, MD, 1957 Mack Ladder Truck

– special called late in the evening of 9/11 to assist at the Pentagon in Arlington, VA, given its small silhouette (size) necessary to access the tunnel to the Courtyard area inside the inner-most ring of the complex ("Truck 16" originally had served in Waynesboro, PA).
